The TRUTH is the only weapon decent freedom-loving people have to overcome the authoritative, foreign-manipulative political forces seeking to debilitate and kill them. Thank you for providing it, and for having the courage to speak the TRUTH backed up with FACTS.

Thank-you, Jessica with sharing your insight and knowledge. I am concerned about the damage that has been done. I am also concerned about the long-term effects of toxic chemicals in the non-vaccines, some that known publicly and others that are still hidden from the public. I am concerned about the push from the World Health Organization to hijack Healthcare. I am about the digital health system that is talked about in circles. As a Canadian, I want my rights back.

This is one of the emails I received the other day. I get hundreds daily, and I am hearing you all.
This particular note spoke loudly to me and this lovely person gave me permission to share her words.
